

Faceless woman

Farah Notash

Vienna Oct 2014

I am calling for help
With the loudest cry of mine...
All me... is abridged in it
I am lost ... in time and Millennia
Can anyone tell me
Where I am
And in which century...century
Mullah throws acid to my face
Mullah burns my face
Mullah burns my eyes
Can anyone tell me...tell me
If I am a human
Have I any rights
My heart is in flames burning
Burning in imposed injustice
Can anyone tell me... where in time I am
My blood and bones
My thought and all my being
Belongs to the net age
I am a woman of the twenty first century
But I am pushed and thrown
Into the hell of gone millennia

In to the graves of inferior prehistoric ages
Burning me with acid
Making me faceless
I am burning ...burning ...burning
In the flames of injustice
Do I look like a human
Where are my rights
I hate...I hate....I hate
I hate this hijab...I hate this imposed stupidity
I will not go down
Not back to wretched absurdities
I am crying for help...help...help
The UK imperialist and his servant Mullah
Want to throw me in to the darkness of the past
And if I don't ... they burn my eyes
They wipe out my face
I am a faceless woman
Please...please...please
Don't show me the mirror
Don't look at my face
Yes I was a woman
Now... I am blind and faceless
Can anyone help me ...to pull the imperialists down?
Can anyone help me ...to pull the world's mullahs down?
